

## High Dividend Portfolio

July 2016

### Investment objective

This is an income focused portfolio, investing in local, high value shares, paying higher and sustainable dividends. This portfolio is generally less volatile, and can provide some downside protection if markets start falling. It aims to provide the investor with an attractive tax-free dividend yield over the long term, whilst striking a balance between capital growth and return on investment. Performance is measured against the FTSE/JSE Africa Dividend Plus Index.

### Investment profile
